Follow-up on March 7, 2000's visit

First of all, I wish to thank David Haulli and yourself for the much appreciated time and assistance you both provided me last week during my brief stay in Igloolik. I look forward to the upcoming summer and the opportunity to cooperate on the upkeep of the municipality's water treatment facilities.

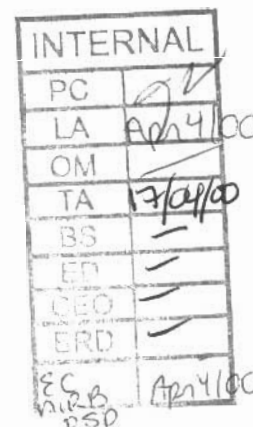

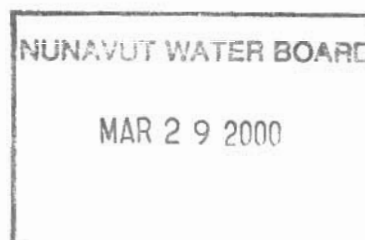

As promised, attached is the Operation and Maintenance manual provided by the Nunavut Water Board. If our District office or other agencies can render further aid in resolving the handful of outstanding issues I underlined during our meeting, just let us know.

Please feel free to contact me at (867) 975-4298 or lavalleep@inac.gc.ca should any questions/comments arise.

Sincerely,

Philippe Lavallée
