Subject: FW: 3BM-IGL Hamlet of Igloolik Inspection Report 2003 to 2008

Good afternoon;

As requested earlier on June 11, 2009 I'd like to request electronic copies of inspection reports for the Hamlet of Igloolik from 2003 to 2008.

The Nunavut Water Board is in receipt of comments provided by INAC on the renewal application for the Hamlet of Igloolik that make reference to an inspection conducted in 2008, there is also an indication that inspections were conducted in 2004 and 2006. Unfortunately, the Board cannot consider information that is not part of the public registry.

With this in mind, to be able to include the information with respect to the inspections, the NWB requests electronic copies of these inspection reports if available, prior to Friday June 19, 2009.
