Mr. Lucasi Ivvalu
Secretary Manager
Igloolik, N.W.T.

Dear Mr. Ivvalu:

The N.W.T. Water Board will be holding a Public Hearing on the Village of Frobisher Bay's Application for Municipal Water Use and Sewage Disposal in Frobisher Bay August 23, 1978. We intend to tour some communities in the Keewatin and Baffin Region August 22 - 25th.

We will be arriving in Igloolik at approximately 7:30 p.m. August 24, 1978 and will leave for Pelly Bay about 11:00 a.m. August 25th.

The Board is interested in touring the water supply system and the Research Lab in Igloolik. We shall require a vehicle to meet us at the landing strip and a person to show us around the Community. Arrangements have been made for us to stay at the Igloolik Transient Centre.

Should the Council or anyone wish to meet with members of the Board at that time we would be very pleased to do so.

I would appreciate a confirmation of any assistance you can provide. Please call me collect at 403 873-3171 as soon as possible.

For your information I have enclosed a copy of the Board's itinerary and a brief description of the role and membership of the N.W.T. Water Board.

Yours truly,

Jo MacQuarrie
Executive Secretary
