Subject: Application for a Municipal Water Licence for the City of Iqaluit

Dear Mr. Sokach:

The Nunavut Water Board ("NWB" or "Board") acknowledges receipt of a letter from your office dated November 9, 2004. In this letter, the City of Iqaluit ("City") responds to the NWB's request for a schedule outlining the timeframe for a detailed response to all issues and/or questions listed in our letter to the City dated September 27, 2004.

The NWB will proceed with the licensing process upon receipt of the information to be provided to the Board by the City, in accordance with the schedule contained in the aforementioned letter of November 9, 2004. We trust that the City will continue to work diligently on the commitments made in that letter, so that the licensing process can continue in a timely fashion.

Please do not hesitate to contact the undersigned in writing or by telephone at 867-669-1238 should you have any questions or concerns.

Sincerely,

Original Signed By:
