Re : City of Iqaluit, Plateau Subdivision

Dear Ms. Bertol,

In response to your letter dated March 30, 2005 to Mr. Wall, Technical Advisor to the Nunavut Water Board, I would refer you to the *Nunavut Land Claims Agreement (S. 13.7.1)* where no person shall use water or disposal of waste into water without the approval of the NWB.

Based on the limited information provided in your letter it appears that the activities referred to, do not require the approval of the NWB. However, I would like to point out that any use of water or disposal of waste into water for example, the dewatering of a pond may be subject to approval and require a licence.

Should you require clarification in this matter please do not hesitate to contact me.

Regards,

Dionne Filiatrault, P. Eng.,
