Hi Alan

Thank you for the response. It however indicates that a Memo is attached with respect to ECCC comment #1 (leachate treatment options evaluation memo that was submitted by Dillon Consulting to the City of Iqaluit on August 30, 2019). This memo from August 30, 2019 was not attached. Could you please provide it.

We also did not receive any response to comments with the Geotechnical report previously submitted, just the report.

Can you provide a response to initial information requests in a single cohesive document, and include the additional memos/reports referenced all together in the same submission.

Thanks, Derek
