Hello,

Environment Canada (EC) may be unable to meet the July 5 deadline for the submission of comments on this Water Licence application. EC is therefore requesting an extension that the deadline for comments be extended until Friday, July 10, 2015 to ensure that EC will be able to provide comments in a timely manner. Please advise as to whether the Nunavut Water Board is amenable to this request. Thank you for your consideration.

Michael I. Mohammed
