Hi Derek,

My apologies that these have not been forwarded to us from the City

Its possible it was accidentally missed. I have forwarded them to my Technical consultant for review. I have asked them to provide me a timeline for review and I will get back to you as soon as I receive a reply.

Please note that I have asked them to consider 1-2 weeks as you suggested, but they may request more.

Regards,

**Alan Rustom** MCI Arb, BEng, MSc, Med
