Good afternoon.

The Environment Canada participants for the upcoming meetings will be Bradley Summerfield and Trish Auser. We have another tentative participant, Anne Wilson, but will confirm closer to the date.

Thanks,

Sarah-Lacey McMillan

In preparation for the TM and PHC, the Board has attached a copy of a draft agenda and recommends that interested persons provide relevant comments to the NWB's Manager of Licensing at [licensing@nwb-oen.ca](mailto:licensing@nwb-oen.ca) by **3:00 p.m. MST, on December 11, 2015**. In addition to commenting on the agenda, interested parties should provide the names of their prospective participant(s) for upcoming meetings to ensure that adequate preparations are made. The NWB will distribute in advance of the TM and PHC a final version of the agenda as well as the names of the participating organizations/persons who have confirmed their attendance.
