**RE: Changes to the Conditions to expired Water Licence 3AM-IQA0611**

Dear Mr. Kharatyan:

On January 13<sup>th</sup> and 14<sup>th</sup>, 2016, representatives of the City of Iqaluit (City) attended the Technical Meeting, Public Meeting and Pre-Hearing Conference for the renewal application of Water Licence 3AM-IQA0612. During the meetings, the Nunavut Water Board (NWB) requested the City update the expired Water Licence 3AM-IQA0611 and suggest any conditions that the City of Iqaluit would like to see removed or changed to reflect the discussions in the above mentioned meetings.

The NWB provided the City with a Microsoft Word version of expired Water Licence 3AM-IQA0611. Within this copy of the water licence, the City made suggestions using the Track Changes function and the Comments feature. Please see the attached expired Water Licence for the suggestions provided by the City.

If you have any questions, please contact Matthew Hamp (Director of Public Works and Engineering) at 867-979-5653 or m.hamp@city.iqaluit.nu.ca.

Sincerely,

Muhamud Hassan  
Chief Administrative Officer  
City of Iqaluit
