NUNAVUT WATER BOARD
NUNAVUT IMALIRIYIN KATIMAYINGI

NWB File No: NWB3IQA9900- Town of Iqaluit

Notice of Change of Date for Public Hearing

The date for the Nunavut Water Board's **public hearing** for the Town of Iqaluit's municipal water licence has been changed to the following:

Date: **November 22**, 2000 from 7 p.m. to 9 p.m.

November 23, 2000 from 9 a.m. to 5 p.m. and 7 p.m. to 9 p.m.

November 24, 2000 from 9 a.m. until closing of the hearing

Location: St. Jude's Parish Hall, Iqaluit

Everyone is invited to attend. Transportation to and from Parish Hall will be provided by the Board at the beginning and end of each day, as well as for lunch and dinner breaks. The public hearing will also include a site visit to the municipal infrastructures on **November 23, 2000** leaving from St. Jude's Parish Hall at 10:00 a.m.

The hearing will be conducted in both Inuktitut and English. Parties requiring simultaneous interpretation in French or needing special audio-visual equipment shall advise the Board's Licensing Administrator before **November 7, 2000**. In accordance with the Board's *Rules of Practice and Procedure for Public Hearings*, a copy of which is available upon request, written interventions shall be received no later than **November 7, 2000**. All written interventions shall be submitted in English and Inuktitut, except in the case of private citizens who wish to intervene.

The following issues will be the subject of the NWB hearing:

- 1) the use of water for municipal purposes, and in particular the Town's long-term water supply and the integrity and stability of Lake Geraldine's dam;
- 2) the status of the new sewage treatment plant;
- 3) the disposal of sludge that will be produced by the new sewage treatment plant;
- 4) the status of the current sewage lagoon, including the stability of its dykes and its decommissioning;
- 5) the current and proposed methods for solid waste disposal, including the operation of the current solid waste disposal facility and appropriate contingency during the transition period from the current method to the proposed method;
- 6) the abandonment and restoration of the current and other solid waste disposal sites in Iqaluit.

Others issues within NWB's jurisdiction may arise before and during the public hearing.
