Subject: City of Iqaluit Public Hearing Adjournment

Dear Mr. Baker:

As decided on March 9, 2006, the Board has adjourned the hearing to allow for additional submissions as follows:

1. by all interested parties on the matter of the solid waste site expansion on a known contaminated site, as posed by M. Webber, and the issue of land ownership;
2. by the City of Iqaluit to review the submissions by M. Little and Ms. Han and submit a response to the Board;
3. by the City of Iqaluit, of a revised workplan (exhibit 29); and
4. information on fecal coliforms as requested by NWB staff Dionne Filiatrault.

The Board requests all submissions to be filed on March 24, 2006, starting at 9:00 am at the Frobisher Inn meeting room. Parties will be given the opportunity to respond to other parties' submissions, and make final closing statements. On the matter of the landfill expansion, the Board encourages all interested persons and in particular the City of Iqaluit, the Government of Nunavut and the Department of Indian and Northern Affairs Canada to explore the possibility of a joint submission, or to copy their submission to other parties in advance of the hearing.

Regards,
