Hello Richard,

Thank you for the invitation to provide comments regarding The City of Iqaluit's (City) response to comments received regarding the 2019 Annual Report review. Crown-Indigenous Relations and Northern Affairs Canada (CIRNAC) has reviewed the City's response to CIRNAC comments. CIRNAC considers all concerns resolved.

CIRNAC would like to note that in the response to *(R-04) Lake Geraldine Dam Safety Inspection 2019: Outstanding Recommendations*, the City has provided a Dam Safety Review (DSR) prepared by MECO. CIRNAC will contact the City directly if we have any further questions or concerns with the DSR.

Thank you for the opportunity to participate in this review.
