Good morning,

The Nunavut Water Board requests reply by August 4, 2022 whether or not the CIRNA comments are addressed by the City of Iqaluit response, at the link below:

The Nunavut Water board is aware that a number of web browsers are no longer supporting File Transfer Protocol (ftp). If you are having difficulty accessing our FTP site you may need to download an FTP application. We have been recommending the FileZilla Client below to access the files, which is a free and open source application. A link can be found below:
