RE: Planned decant of the Sewage Lagoon on June 22, 2007

Ms. Jones,

Please accept this letter as an authorization as per the terms and conditions of the City of Iqaluit's Water License (3AM-IQA0611) allowing for the controlled and planned decanting of the City's lagoon. Please ensure the process is documented and, if possible, an accurate estimate of the volume discharged is to be recorded and submitted with the City's annual report.

Thank you for the required notification. I look forward to working again this summer with you and your staff.

Sincerely,

(Original signed and mailed this date)
