Re: Water Licence No: 3AM-IQA1626, Type “A”; City of Iqaluit; Lake Geraldine Dam Rehabilitation Program

On May 4, 2022, the Nunavut Water Board (the NWB or the Board) received a notice by the City of Iqaluit (the City or the Licensee) for Lake Geraldine dam repairs (the Notice) in respect of the amended Licence No: 3AM-IOA1626 (the Licence) issued to the City.

The activities included repairs to the berms, spillway and the dam. The Licensee provided engineering drawings for the work to be undertaken.

The Notice was distributed for public review with the deadline for June 2, 2022. On May 26, 2022, Environment and Climate Change Canada stated it had no comments. No other comment submissions were received by the NWB.

NWB's Review and Decision

The Board acknowledges that the Notice addresses the requirements of Part F, Item 1 of the Licence. The Licensee is advised that the Board's review of this document is a verification that the proposed activity is consistent with the existing terms and conditions of the Licence and more specifically with Part F, Item 1, and may proceed in accordance with the Report and drawings provided. It should be noted that the Board's acceptance is NOT intended or offered as any representation regarding the suitability of the plans nor third-party verification of the design, construction, planning or engineering discussed in the document.

The Licensee is reminded to adhere to all relevant conditions of the Licence, namely Part F.

Should you have any questions regarding the above, please contact the undersigned by email to assol.kubeisinova@nwb-oen.ca or by phone at (867) 360-6338 ext. 31.
