Dear Ms. Jones:

The Nunavut Water Board ("NWB") acknowledges receipt of your letter dated September 28, 2007 requesting a modification to water license 3AM-IQA0611 to replace a failed culvert on Allungua Road. Due to the nature of this emergency request the NWB is requesting a quick turnaround for comments. All parties are requested to review and provide a response by October 10, 2007.

All documents received are posted to our ftp site at the following link:
