**Re: 3AM-IQA0611 / City of Iqaluit / Municipal Water Licence / Qikiqtani Region /
Modification of Licence**

On behalf of Indian and Northern Affairs Canada (INAC), I have reviewed the above mentioned modification of the City of Iqaluit's municipal water licence to allow for the replacement of a failed culvert on Allunga Road. The following advice has been provided pursuant to INAC's mandated responsibilities for the enforcement of the *Nunavut Waters and Nunavut Surface Rights Tribunal Act* (NW&NSRT) and the *Department of Indian Affairs and Northern Development Act* (DIAND Act).

Indian and Northern Affairs Canada is supportive of the City of Iqaluit's intention to replace the failed culvert on Allunga Road. The City of Iqaluit should ensure that all terms and conditions established in its Type A water licence, particularly Part G: Conditions Applying to Modifications, are followed.

Indian and Northern Affairs Canada requests notification of any changes in the proposed project, as further review may be necessary. Please contact me should you have any questions or comments with regards to the foregoing. I can be reached by telephone at (867) 975-4555 or by email at AbernethyD@inac-ainc.gc.ca.
