Re: Crown-Indigenous Relations and Northern Affairs Canada's Review of Responses on City of Iqaluit Modification Request, Lagoon Diversion for Upgrade Purposes, Iqaluit Wastewater Treatment Plant Upgrade Project, Water Licence 3AM-IQA1626

Dear Mr. Dwyer,

The Water Resources Division of Crown-Indigenous Relations and Northern Affairs Canada (CIRNAC) examined the City of Iqaluit responses to CIRNAC comments on the City of Iqaluit Wastewater Treatment Plant Modification. We accept that our comments cannot be fully addressed until the sludge survey is performed and analyzed, which is expected to be completed by September 28, 2018. In the meantime, CIRNAC looks forward to the stakeholder meeting that is currently being planned by the City of Iqaluit.

If there are any questions or concerns, please contact either me at bridget.campbell@canada.ca or (867) 975-4282 or Sarah Forté at sarah.forte@canada.ca or (867) 975-3876.

Sincerely,
