#### Good afternoon,

The underwater repair work to be completed on the Lake Geraldine Dam will begin in a couple of weeks. This work is the exact same scope of work that was proposed last year but was ultimately cancelled due to funding restrictions. The letter provided to the Nunavut Water Board (NWB) last year is still in effect as nothing has changed. Therefore the NWB will consider the original date of this notice to fulfill Licence Requirement PART G, Item 1a, i.e. providing 60 days notice of the modification. Please provide the NWB a copy of the Environmental Protection Plan when it is available.

This notication is distriubted for information purposes only.

Regards,

#### Richard
