Minister of Indian Affairs and  
Northern Development and Federal Interlocutor  
for Métis and Non-Status Indians

Ottawa, Canada K1A 0H4

JUL 24 2006

Mr. Thomas Kabloona  
Acting Chair  
Nunavut Water Board  
PO Box 119  
GJOA HAVEN NU X0B 1J0

Dear Mr. Kabloona:

This is in response to the letter of May 15, 2006, from your predecessor, conveying the proposed water licence for the City of Iqaluit and the Nunavut Water Board's reasons for decision and record of proceedings.

I am pleased to inform you that I have approved the licence as recommended by the Water Board, effective immediately. A signed copy of the licence is enclosed. I have copied this letter to the City of Iqaluit to inform them of the approval as required by the *Nunavut Waters and Nunavut Surface Rights Tribunal Act*.

You may recall that, on June 23, 2006, I advised that I would require the full 90 days allotted to me by the *Nunavut Waters and Surface Rights Tribunal Act* to render my decision. This was because I had received copies of correspondence between the City of Iqaluit and the Water Board regarding various provisions of the proposed licence. I would encourage you to work with the City of Iqaluit on ways to respond to their concerns while ensuring that the environment and public safety are sufficiently preserved and protected.

.../2

I would like to take this opportunity to thank the Water Board for its letter and for the efforts of its members, and the diligent work of the Water Board staff in preparing this licence.

Sincerely,

A handwritten signature in black ink, consisting of a large, stylized 'J' followed by a horizontal line and a small flourish at the end.

The Honourable Jim Prentice, PC, QC, MP

Encl.
