Dear Mr. Mike:

Thank you for your letter of June 17, 2016, conveying the Nunavut Water Board's Reasons for Decision and recommended approval of the replacement and amendment of the expired type A Water Licence No. 3AM-IQA0612 with Water Licence No. 3AM-IQA1626 concerning the City of Iqaluit's authorization to use water and deposit waste in support of a municipal undertaking within the boundaries of the City of Iqaluit in the Qikiqtani Region of Nunavut.

In accordance with subsection 56(2) of the *Nunavut Waters and Nunavut Surface Rights Tribunal Act*, I hereby grant my approval of Water Licence No. 3AM-IQA1626, as recommended by the Nunavut Water Board. The signed original is enclosed.

I understand that the City of Iqaluit intends to submit several amendment applications to your office to ensure that there will be sufficient water available to support the growing community and that all activities being carried out are in full compliance. I appreciate the commitments the City of Iqaluit has made in this regard.

I would like to thank the Nunavut Water Board for their ongoing dedication toward sound resource management in Nunavut.
