RE: 3AM-PAN---- (3BM-PAN1417), Type “A” Municipal Water Licence – Amendment Application, Hamlet of Pangnirtung; Information Pertaining to the December 5 – 6, 2017, Technical Meeting / Pre-Hearing Conference

Dear Messrs. Roy and Ladd:

Further to the Nunavut Water Board’s (NWB) October 30, 2017 correspondence in which interested parties were requested to confirm their intended participation and provide feedback on the proposed agenda for the Technical Meeting and Pre-Hearing Conference, scheduled for December 5 – 6, 2017 for the Hamlet of Pangnirtung Type “A” Water Licence Application, the NWB received confirmation¹ of participation from the Proponent, the Hamlet of Pangnirtung, Environment and Climate Change Canada (ECCC), Fisheries and Oceans Canada (DFO), and Indigenous and Northern Affairs Canada (INAC). The NWB also received information indicating that Hamlet of Pangnirtung’s community members will be participating in the meeting. In addition to confirming their participation, INAC and the Applicant, the Hamlet of Pangnirtung, communicated to the NWB their intentions to make formal presentations during the meeting. ECCC and DFO indicated that they do not intend to make formal presentations during the meeting.

¹ Hamlet of Pangnirtung, November 21, 2017; Environment and Climate Change Canada (ECCC), November 24, 2017; Indigenous and Northern Affairs Canada (INAC), November 2017, 2017; and Fisheries and Ocean Canada, November 28, 2017.

To assist interested parties with their continued preparation for the meeting, the NWB has attached copies of INAC's and the Applicant's presentations as well as a copy of the finalized Agenda, which was updated to include the teleconference's call-in information and to reflect that ECCC and DFO will not be providing formal presentations. Access to the Agenda, presentations, and other information associated with the Application and the file can be accessed through the NWB's Public Registry and FTP site using the following link:
