

Technical review

1. Water supply

1. Water supply

Expiry No: _____
 Date: _____
 INDIAVAULT WATER BOARD

1. Water Supply (continued)

- Duval River as water source
 - Hydrology study
 - Limiting water extraction to July & August unless measurements taken
- Surface water management around reservoir
 - Repairs to secondary cut-off ditch

2. Wastewater treatment

2. Wastewater treatment

1. Water Supply (continued)

- Duval River as water source
 - Hydrology study
 - Limiting water extraction to July & August unless measurements taken
- Surface water management around reservoir
 - Repairs to secondary cut-off ditch

2. Wastewater treatment (continued)

2. Wastewater treatment (continued)

- Newly commissioned wastewater treatment plant working well, effluent discharged meets criteria
- ...
