**RE: NWB Technical Review of 2024 Annual Report for the Hamlet of Pangnirtung; Water Licence No: 3AM-PAN1828**

---

Dear MaryAnn Mike:

The Nunavut Water Board (NWB or Board) received the 2024 Annual Report (Report) and supporting documents on May 06, 2025 and May 14, 2025 for type A Water Licence No: 3AM-PAN1828 (Licence) issued to the Hamlet of Pangnirtung (Hamlet or Licensee).

The NWB distributed the Report along with the supporting documents on May 29, 2025 for a three-month public review. Comments were received from Crown Indigenous Relations and Northern Affairs Canada (CIRNAC) on July 03, 2025. On August 13, 2025, the NWB received the missing annual reports from 2019-2021 which were distributed for review. The NWB did not receive any additional comments.

The NWB forwarded the comments received from CIRNAC to the Licensee on July 03, 2025 but did not receive any responses. Since no response has been received from the Licensee, the review for the Report and management plans remains incomplete.

Copies of all documents received during the Annual Reports review can be accessed through the NWB's Public Registry using the following link:
