WATER BOARD UPDATE

FOR

May 30, 1996

Water Licence: N5L3-1447

SUBMITTED BY: Brian Collins, Municipal Coordinator

TOPIC: PANGNIRTUNG SOLID WASTE SITE REHABILITATION PROJECT

BACKGROUND: On March 21, 1995 a draft of the above noted report was received. The Board forwarded comments on the draft in a letter dated July 26, 1995 (copy attached).

A final report was received for the above noted project on March 20, 1996.

STATUS: There is no indication that the Board's recommendations were addressed in the final report.

RECOMMENDATIONS: As the items are primarily operational they should be addressed through the O&M aspects of the water licence. No Board action is recommended at this time.

Update Prepared: May 2, 1996
