

GOVERNMENT TENDER

Community & Government Services, Hon. Peter Kattuk, Minister

Utilidor Upgrade and Related Work

- Resolute Bay, Nunavut -

Repairs to the existing utilidor are needed. Laterals are to be installed from the utilidor main line to twelve houses. Curb boxes and valves are also needed, as are heat trace tape to protect fire hydrants from freezing. In addition, new access vaults, main lines, curb boxes, and ancillary components are required for new subdivision. Separate prices are expected. The successful contractor will work with the GN staff and the consulting engineer designer to complete the work specified.

For the purposes of this tender call the provisions of the Nunavummi Nangminiqagtunik Ikajuuti (NNI Policy) apply. All tenders are subject to approval by the Nunavut Government and the lowest or any tender will not necessarily be accepted.

Sealed tenders addressed to the Contracts Administrator, c/o Regional Director's Office, Department of Community & Government Services, Government of Nunavut, Bag Service 200 Cambridge Bay, NU. X0B 0C0 (Delivered to the 2nd Floor, Enokhok Building, PWS - Contracts Clerk) will be received on or before:

3:00 P.M. Local Time, Cambridge Bay (Mountain Time), June 28, 2005

A \$50.00 non-refundable charge is levied for tender documents. To be considered each tender must be submitted on the forms provided and must be accompanied by the security stated in the tender documents.
