

DISTRIBUTION

Please find enclosed a copy of an application for a *Science Research License* from **Steven Siciliano, Department of Soil Science, University of Saskatchewan.**

Steven Siciliano's research is titled "*The fate and toxicity of Arctic soil pollutants: how humans poison Arctic soils and how Arctic soils poison humans.*" and is proposed to take place from July 5,2013 to August 25,2013.

As per the **Scientists' Act** of Nunavut, community consultation is required before a Science Research License can be issued. The documentation is provided for your information and review. A ***Reviewer Recommendation Form*** is enclosed for your response by **May 9,2013.**

Thank you for your continued assistance. Please contact our office if you have any questions or concerns regarding the above.
