Hello Ms. Gillespie,

I am the Water Resources Officer for the Kitikmeot region of Nunavut. My records show that no Annual Reports have been submitted for the above-listed project since 2009. Please note that annual reporting is required whether or not any activity is undertaken with respect to the project.

As a component of AANDC's Field Operations inspection planning for 2014, I would ask that you fill out the attached Project Assessment Checksheet. Please fill out one sheet for each project your company is licenced or permitted to undertake in Nunavut, and for any projects still in the licensing or permitting process. If known, please include the anticipated dates of activities for 2014 in the comments section.

Please return the attached form to me by March 31, 2014.

Annual Reports are to be submitted to the Nunavut Water Board (copied above) by March 31, 2014.

Regards,

*Eva Paul*
