Hi Phyllis

Please issue the license to my name.

Thank you

MC Williamson

Importance: High

Good morning – prior to issuing the licence requested, please advise if this will be in your name or in the name of Canadian Space Agency. The licence will probably be for a 5 year period and it is important to note that if the licence is in your name you would be responsible for all the terms and conditions within that licence. Your prompt attention to this matter is appreciated.
