**Notification for the Retraction of the Renewal and Amendment Application
(Licence Number: 8AC-ALT----) dated April 7, 2014 for CFS Alert, Nunavut**

Dear Ms. Beaulieu,

The Department of National Defence (DND) - 8 Wing Trenton Environmental Management Office is providing this notice for the Nunavut Water Board (NWB) to retract the previously submitted Renewal and Amendment Application for 8AC-ALT---- (formerly 3BC-ALT1015) dated April 7th, 2014.

Please solely consider the most recent Renewal and Amendment Application for 8AC-ALT---- that was submitted to the NWB on September 8th, 2015. This application package contains the most relevant information, and renders the former application redundant.

Should you have any further questions or comments, please do not hesitate to contact me.

Yours truly,

Andrew Tam, PhD
