

## **Appendix F**

### **Site Map Detailing the Location of Each Monitoring Point**

**Year:** 2011

**Description:** Scaled Site Map for CFS Alert.

#### **Results:**

The Department of National Defence completed geographical information system survey to establish a scale for CFS Alert during the summer of 2011. The attached site drawing is intended to supplement in addition to the previous site plan drawings for CFS Alert submitted to the Nunavut Water Board.
