**Date:** Thursday, June 23, 2011 10:30:35 AM

---

Andrew,

Acknowledged. Please advise when the filter system has arrived.  
Once installed and as per our discussion you may proceed to treat and discharge the water as we discussed this AM.

Please ensure sampling results are forwarded both to the Nunavut Water Board and our offices.

Andrew Keim  
Water Resources Officer  
Field Operations Unit  
INAC
