Dear Ms. Quqsuut, Ms. Beaulieu

## RE: NWB File # 3BC AWW0814 – NIRB File # 09DN009 – Winter Warfare Project

NWB Water license amendment application/proposal listed above was reviewed for conformity against the North Baffin Regional Land Use Plan (NBRLUP) on February 20, 2008. After reviewing the proposed changes, NPC finds that the above application/proposal does not require the proponent to agree to terms which were previously agreed to under an INAC file N2007C0044 on January 7, 2008.

Therefore no conformity determination is needed. The NWB, as a recognized authorizing agency under the *NLCA*, is responsible to implement the attached requirements by incorporating the requirements directly, or otherwise ensuring that they be met, in terms of the conditions of any authorizations issues.

My office would be pleased to discuss these with you how to best implement these requirements and to review any draft authorizations that you wish to provide for that purpose.

Thank You

Brian Aglukark, NPC
