Subject: Cancellation of Licence and Closure of NWB File

Dear Ms. Sharp:

On December 14, 2015 the Nunavut Water Board (NWB) received comments from Indigenous and Northern Affairs Canada (INAC) covering the above noted file. The submission recommended cancellation of the licence. Also INAC recommends that an Inspection be carried out to ensure that all structures and facilities that was a part of the water licence 3BC-BGI0813 are captured under the current licence 8WLC-BGI1415. Further, there are no outstanding NWB administrative matters that require attention.

In accordance with section 43.(i)(c) of the *Nunavut Waters and Nunavut Surface Rights Tribunal Act* (NWNSRTA), the Board may cancel a licence in certain specific cases.

The NWB hereby notifies all parties that the aforementioned licence is now cancelled and that the corresponding NWB file is now considered closed. Any future relevant activities on this site will require a new water licence assessment.

Sincerely,

Robin Ikkutisluk
Licence Administrator
