ATT
PHYLLIS BEAULIEU.

HOPEFULLY THIS INFORMATION WILL
BE SUFFICIENT TO OBTAIN A WATER
LICENCE.

I WOULD LIKE THE LICENCE FROM
JUNE 2003 UNTIL SEPT 2005 AND
HOPEFULLY FOR MANY YEARS BEYOND

MAJOR DRILLING WOULD BE THE
DRILLING CONTRACTOR AND I FEEL
CONFIDENT THAT THEY ARE FAMILIAR
WITH THE RULES & REGULATIONS OF
DRILLING IN THE NORTH COUNTRY AND
WOULD HAVE A FINE MESH SCREEN
ON THE WATER INTAKE OF ANY
SUPPLY PUMP THEY USE FOR DRILLING
OR CAMP PURPOSES. POSSIBLY
1/4" IN SCREEN OR LESS.

AS THIS PROJECT IS STRICTLY
A GRASS ROOT EXPLORATION PLAN

MARCH 25 -03

(2)

THE SIZE OF THE CAMP, NUMBER OF PEOPLE IN CAMP, NUMBER & LOCATION OF DRILL SITES ARE UNKNOWN. I HAVE SKETCHED OUT THE APPROXIMATE LOCATION OF THE CAMP SITE ON THE SATELLITE PHOTOS.

POSSIBLY THE INITIAL EXPLORATION OF THE PROPERTY WILL BE CARRIED OUT FROM KUGLUKTUK TO ESTABLISH THE BEST LOCATION FOR A CAMP. THAT IS BEST FOR THE PROGRAM.

IF THE INITIAL EXPLORATION FROM KUGLUKTUK IS UNSUCCESSFUL THEN THE PROJECT IS DEAD.

I HAVE SPENT FROM 1991 WORKING ON THIS PROJECT AND EXPECT THIS PROJECT TO BE SUCCESSFUL.

IS IT POSSIBLE TO GET A WATER PERMIT FOR ALL OF THE

TOLCO 61/860 AREA

THANK YOU

A. McPherson
