

Nunavut Water Board

Standard Form for Annual Reporting Requirements of NWB2 Mineral Exploration Water Licences

Introduction

Under the terms of water licences issued by the Nunavut Water Board ("NWB") for the use of water and the disposal of waste into water associated with mineral exploration (NWB2 licences), licensees are required to submit to the NWB an Annual Report no later than March 31st of the year following the calendar year reported.

In order to aid the licensee with the preparation of the Annual Report and facilitate its review and approval by the NWB, licensees are required to use the following form. Metric units should be used to report any relevant data. If additional space is required, please append one or more sheets to the Annual Report.

Annual Reports shall be submitted by either fax, mail or email (in Microsoft Word or Adobe Acrobat format) to:
