5. DECLARATION: I, _____ Scott Lamoureux _____ on behalf of _____ Queen's University _____ hereby make application to cancel the above-noted water use licence effective ____April 29, 2016____ (insert proposed date of cancellation) Date of most recent water licence inspection: ____July 2010 (AANDC inspection)____ (attach copy of inspection report, if available) <div style="text-align: center;">  </div> Signature of Licensee: _____ Date: _____April 29, 2016_____	
6. CANCELLATION FEE: Application fee of \$30.00 CDN (payable to the Receiver General for Canada) Sent separately	

7. REASON – Provide written reason for cancellation request:

Licence expired. I was advised by NWB staff to pursue a non-licensed water approval for this land use for future activity (approved **8WLC-CBA1617**).

8. ABANDONMENT MEASURES

The following measures have been taken to address the final abandonment conditions required by the licence: (explain, with drawings, how abandonment conditions of the licence have been met; how stream channels have been rehabilitated; how tailings have been recontoured; how instream structures have been removed; and how waste materials have been disposed of. Enclose pictures if available.

The land use continues as indicated in the original licence document. We have maintained all conditions required. No stream channels have been altered and no waste has been deposited. The camp is located beyond the minimum setback distance and all liquid fuels under my responsibility are contained and spill materials are located on site. The site is used annually and visual inspection to assure these conditions are met are undertaken regularly.

9. CERTIFICATE OF COMPLETION: Application for Licence Cancellation must be accompanied by either of the following:

- ☐ Application for Certificate of Completion enclosed; or
- ☐ Certificate of Closure enclosed.

The applicant is advised to consult with Aboriginal Affairs and Northern Development Canada regarding provision of the requested certificate.

I have consulted with AANDC and they advise that this certificate will be carried out when the land use is complete.
