Good morning Scott, Your current water licence does not expire until September 30th of this year. Do you wish to continue with the type B licence or switch over to an approval without a licence? you qualify for an approval without if you wish to change over. All that is required is to ensure that all terms and conditions of the Type B have been met. I've reviewed your file and note the following:

Water use fees are outstanding to September 30, 2015 for a total owing of \$159.37

An annual report for 2015 will be required for submission.

If you wish to switch types of licence please send in a letter requesting closure of the B type licence. Once all the terms and conditions have been met (fees paid in full and the 2015 annual report) no further action would be needed to close the B and give you a yearly approval without a licence.

If you wish to discuss, please do give us a call.

Phyllis Beaulieu- ᐱᕐᕐᕐ ᕐᕐᕐ
