Re: Application Terms and Conditions for Grant Gilchrist's renewal request with Canadian Wildlife Service for the "Study of Migratory Birds in East Bay, Southampton Island" project

Dear Siu-Ling Han:

The Nunavut Impact Review Board (NIRB) has completed a review of Grant Gilchrist's request to Canadian Wildlife Service (CWS) for a renewal of his CWS permit for the "Study of Migratory Birds in East Bay, Southampton Island" project.

Please be advised that the NIRB received the following comments regarding the proposed renewal:

- Recommendations from Environment Canada regarding handling and disposal of wastes, chemicals and fuels.

These concerns have been addressed with the previously recommended terms and conditions for this file. Therefore, the NIRB is reissuing the recommended Terms and Conditions contained in the February 28, 2006 Screening Decision Report (attached).

If you have any questions or concerns, please do not hesitate to contact the NIRB's Technical Advisor Ryan Barry at rbarry@nirb.ca or by phone (867) 983-4608.

Sincerely,
