### A. BACKGROUND INFORMATION

On September 19, 2014 the Board provided notification to Aboriginal Affairs and Northern Development Canada (AANDC) that Environment Canada had submitted a cancellation application for Type B water licence #3BC-EAS1214.

Interested parties were requested to review the information and provide comments by October 19, 2014.

### B. RESULTS OF REVIEW

On behalf of AANDC, the following comments/ recommendations are submitted to the Nunavut Water Board for consideration:

#### 1. Application For Water Licence Cancellation

- AANDC notes that there was no non-compliance issues found at site for this water licence during the last water licence inspection conducted on August 5, 2012.
- AANDC recommends that the licence not be cancelled until a Water Resource Officer completes an on-site inspection and provides confirmation that no compliance issues are associated and/or remain outstanding with the project.
