Dear Richard,

I re-checked my coordinates from my 2001 field notebook (which is when we last visited the Bay Fiord/Clinker Airport site), and the coordinates are N78 degrees, 46.704 minutes; W82 degrees 20.75 minutes (this is the first set of coordinates that you list below). I apologize for the mistake in the Supplementary Questionnaire – I probably accidentally listed the longitude for Strathcona Fiord fossil forest, rather than Bay Fiord/Clinker.

Thanks for asking, Richard! Let me know if you have other questions.

Best wishes,
Jaelyn
