Subject: University of Colorado, Museum of Natural History – Ellesmere Island Margaret Formation  
Project – New – Type “B”

Dear Ms. Eberle:

The Nunavut Water Board (“NWB”) acknowledges receipt, on January 8, 2010, of a new application for a Type “B” water license for water use and waste disposal associated with exploration activities in the Qikiqtani Region of Nunavut. The application consists of the following documents:

- Cover Letter received January 8, 2010
- Water Licence Application received January 8, 2010
- Supplemental Questionnaire received January 8, 2010
- English & Inuktitut Summary received January 8, 2010
- Camp location map received January 8, 2010
- Field research supplemental information received January 8, 2010
- NIRB confirmation screening is not required received January 27, 2010
- NPC Conformity Review received January 27, 2010

The application can be obtained from our ftp site, Username: **public**, Password: **registry**.

A preliminary review of your application concluded that it meets the requirements of section 48(1) of the *Nunavut Waters and Nunavut Surface Rights Tribunal Act* (“Act”). However, the NWB retains the right to request additional information and studies pursuant to sections 48(2) of the Act or to issue guidelines for the provision of information pursuant to section 48(3) of the Act. A NWB Technical Advisor may be in touch with you to clarify any technical details related to your application.

To ensure this application is dealt with in a timely fashion, the NWB forwards notice of all documentation to regulators and council of the municipality(ies) most affected by the project, inviting interested parties to make representation directly to the NWB *within 30 days from the date of this letter.* The NWB may provide additional procedural instructions once the application has been reviewed by interested parties.

Sincerely,

*Original Signed By:*

Richard Dwyer  
Licensing Administrator
