Hi Richard,

As per Schedule 12-1 (5) of the Nunavut Land Claims Agreement (NLCA), which states "Water uses that do not require a public hearing under Section 13.7.3" this project is exempt from the NIRB screening process. So in this case, we will not be providing comments or screening direction related to this file.

Good morning Jaelyn;

The Nunavut Water Board acknowledges receipt of your application January 8, 2010. To complete your water licence application we'll require you to provide:

- Nunavut Planning Commission (NPC) Conformity Review or e-mail/letter from NPC Conformity review isn't required for this project
- Nunavut Impact Review Board (NIRB) Screening Decision or e-mail/letter from NIRB Screening isn't required for this project

I've included both NPC and NIRB in this e-mail should you wish to contact them.

Regards,

Richard Dwyer
