Good morning. According to the last inspection conducted by AANDC on July 5, 2014 there was a requirement to provide the annual report for this file. It was received and is attached for your review. Please advise if another inspection will be required prior to cancelling this licence as the applicant has requested. The application for cancellation is available on our ftp site at the following link. To date it has not gone out for review and comments. We can close/cancel the licence without a review pending AANDC confirmation that not issues are outstanding.

Regards,
