Re: New Application Acknowledgement for the Fosheim Peninsula Project

Dear Mr. Pollard:

The Nunavut Water Board (“NWB”) acknowledges receipt on May 3, 2010 of your new water license application for the Fosheim Peninsula Project, file number 3BC-FOS----.

We undertook a preliminary administrative review of your application and conclude that, in accordance with approved legislation under the *Agreement Between the Inuit of the Nunavut Settlement Area and Her Majesty the Queen in Right of Canada* (“NLCA”), it does not contain sufficient information for the NWB to commence processing the file at this time. Specifically, we are asking you to provide the following:

- Nunavut Planning Commission Conformity (or confirmation in writing that an NPC Conformity is not required)
- Nunavut Impact Review Board Screening Decision (or confirmation in writing that a NIRB screening is not required)
- Spill Contingency Plan
- Signed Application Signature page
- \$30.00 administration fee
- \$30.00 water use fee
- Confirmation in writing on to whom the licence is to be issued

We will resume the processing of your application once we receive the requested information.

Please call the undersigned at (867) 360-6338 or email at licensingadmin@nunavutwaterboard.org if you have any questions.

Sincerely,
