Dear Manager:

Please find attached an application for cancellation of water license 3BC-GBI114. This license was for small scale biological field research activities and we are now moving towards obtaining permission from the Nunavut Water Board for water use without a licence, at this sight. As such, we are applying to cancel our existing licence.

Please note the licence is under the name of Dr. Grant Gilchrist, however, any questions you have regarding this application can be directed to myself, Michael Janssen, [Michael.Janssen@ec.gc.ca](mailto:Michael.Janssen@ec.gc.ca) 613-991-9973.

Thank you very much for your consideration of this application, and please do not hesitate to contact us with any questions or concerns you may have.

Sincerely,

Michael Janssen
