Good afternoon;

Email confirming proposed project listed above falls outside the boundaries of both the KRLUP and the NBRLUP, therefore no NPC conformity review required. Any questions concerns, please do not hesitate.

Good afternoon;

Thank you for your email Amie. If you provide me with the co-ordinates and project proposal name, the NPC will respond to your request as well, copy both the NIRB and the NWB with our confirmation(s).

Anything further please do not hesitate.

Brian Aglukark, NPC

Subject: NPC conformity - Belcher Islands

Hello,

I've submitted a project proposal to NIRB for some biological research we hope to conduct in the Belcher Islands. I am also going to submit a water licence application shortly. I know that the Belcher Islands does not have a land use plan, so NPC conformity is not required, but I need to include a letter from NPC stating that we do not need to be screened by you to include in our water licence application.

If possible, could you please forward me a letter to that effect.

Many thanks,
Amie
