Re: New Application Acknowledgement for the Geo-mapping Project

Dear Ms. Chakungal:

The Nunavut Water Board ("NWB") acknowledges receipt on January 21, 2009 of your new water license application for the Geo-mapping Project, file number 3BC-GEM----

We undertook a preliminary administrative review of your application and conclude that, in accordance with approved legislation under the *Agreement Between the Inuit of the Nunavut Settlement Area and Her Majesty the Queen in Right of Canada* ("NLCA"), it does not contain sufficient information for the NWB to commence processing the file at this time. Specifically, we are asking you to provide the following:

- Letter of Authorization from Hamlets for use of waste disposal sites
- NPC Conformity (or confirmation in writing that an NPC Conformity is not required)

Please call the undersigned at (867) 360-6338 or email at licensing@nunavutwaterboard.org if you have any questions.

Sincerely,

Original signed by:

Richard Dwyer
Licensing Administrator
