Subject: Requirement for Additional Technical Information to Support Water Licence Application; Licence No. 3BC-GEM----

Dear Ms. Chakungal;

The Nunavut Water Board ("NWB") is currently conducting a preliminary technical review of has completed a technical review of the Melville Peninsula Geo-Mapping Project. As some parts of the application were deficient and the following information is required to be submitted or addressed prior to a public review period:

1. Will any wastes be deposited using the CAM-F (Sarcpa Lake) Waste Disposal Facilities?
2. Confirmation that the proposed water supply is safe for human consumption;
3. Provide Latitudes and Longitudes for the fly camps, if this info is not available please provide general area;
4. Provide water source and waste disposal information for fly camps.

Should you have any further questions, please feel free to contact the undersigned at (867) 360-6338, at your earliest convenience.

Yours truly,
